

CRUISE SONIC XP

Gasoline Engine Oil

POWER OIL CRUISE XP 5W-20 is top of the line full Synthetic car engine oil, formulated from Synthetic Technology base oils and high-performance additive packages and designed for all modern and luxury cars, MUVs, SUVs or Jeeps. It also gives substantial fuel savings thus provides better mileage.

Benefits

- Synthetic Technology base oil and additive package provides high oxidation and thermal stability at higher temperature.
- Good protection of engine parts at the time of starting the engine when maximum wear takes place thus it prolongs the engine life.
- One oil which can be used in all types of car engines.
- Gives good mileage as its low viscosity reduces the oil drag and also extend oil drain interval.

Performance Standard

The engine oil meets the requirements of the following specifications:
