

# POWEROIL CRUISE MULTI 20W-50

## High Performance Gasoline Engine Oil

POWEROIL CRUISE MULTI 20W-50 is a high-performance new generation passenger car engine oil for MPFI, Common Rail, Turbo or Multi Jet types of engines. This product provides all-round protection for your car engine preventing it from wearing and corrosion. Recommended cars running on gasoline or CNG/LPG fuels. It keeps the engine clean from high temperature deposits and reduces the sludge formation.

### Benefits

- Contains anti-sludge properties that protect the engine from sludge formation
- Excellent lubrication of engine internal parts
- Provides protection against corrosion of engine parts
- Superior protection against viscosity and thermal breakdown
- Anti-wear additives that extend the life of your engine

### Applications

Recommended for passenger cars with MPFI, common rail, turbo or multi-jet engines.

### Performance specifications

POWEROIL CRUISE MULTI 20W-50 is API licensed for API SL specification

### Typical Characteristics

CRUISE MULTI 20W- 50		
TEST PARAMETERS	METHOD	TYPICAL VALUES
Density @29.5°C. gm/cc	ASTM D1298	0.883
Kinematic Viscosity at 40°C, cst	ASTM D7042	158.2
Dynamic Viscosity at 100°C, cst	ASTM D7042	17.5
Viscosity Index	ASTM D2270	130
Flash Point, °C	ASTM D92	235
Pour Point, °C	ASTM D97	-24
TBN, mgKOH/gm	ASTM D2896	7.26
CCS @-15°C , cp	ASTM D5293	7700

**Note:** Always consult your owner's manual to check for recommended viscosity grade and specifications of oil for your particular vehicle.

## Health, Safety & Environment

**POWEROIL CRUISE MULTI 20W-50** is not expected to produce any significant health & safety hazard when used properly in intended application. However, avoid skin contacts by using proper Gloves. After skin contact, wash immediately with soap and water. For details, follow Material Safety Data Sheet.

Disposing any used oil in drainage is hazardous to environment. Take used oil to an authorized Collection point.
